Calculations

The Seed Points for this list are calculated as follows:

Result = Race Point + Race Penalty Point (as shown above and on most race results)

Seed Point = the minimum of:

a. Last year's end-of-season seed point (the basic points), or
b. Average of the best two results this season (from different venues), or
c. Average of the best result and the basic points, or
d. Best result this season plus 20% (minimum load 10 points)
