British Indoor Championships Seedpoint Cut-off

Following the cancellation and re-scheduling of two indoor race weekends originally planned during May and June due to Covid restrictions, the number of indoor races that have taken place to date has been just 5. That has resulted in over 40% of planned indoor races not having taken place by the time of the British Indoor Championships in August. For this reason. it has been decided the normal 250 seedpoint cut-off for entries will **NOT** be applied for 2021 to the British Indoor Championships.

The online entry system has had the 250-points cut-off removed.

The Anglo Welsh Indoor Championships (which will also count towards GBR Indoor Series Points) and British Indoor Championships will take place at Chill Factore in Manchester on 14/15th August and the closing date for entries is 7pm, Friday 6th August.
