## Clarification on Entry Fees 2025

As everyone will be aware, costs are rising, and this has put some pressure on race entry fees for the 2025 season. Entry fee costs were provided to all clubs, when bidding in 2024 to host races in the 2025 calendar. Where possible, maximum entry fees were imposed for races, allowing clubs to set their own levels up to this level.

To summarise, the various entry fees are as below:

| | |
|---|---|
| Outdoor Club Nationals | £32 maximum |
| Outdoor GBR | £32 maximum |
| Indoor Club Nationals | £50 maximum |
| Indoor GBRs | £50 maximum<br>(£45 SE and SSW) |
| All England Outdoor Champs | £32 |
| All England Inter-Club Team Event | £65 per team |
