British Calendar Application Process

Application Status	Information	Remarks
New	Race Organiser's Information and dates only.	
Proposed	As above + Race info and Key Personnel but is not complete.	The system will email the Organiser's to remind them to complete their application.
Detailed	All information required and 'Submit Complete' has been actioned by the Organiser.	Organiser's input is complete.
	Moves to the HN Rep.	
HN Approval	HN Approves or Rejects application.	Email sent to the Organiser.
	Moves to TD Forum.	
TD Forum Approval	TD Forum Approves or Rejects the application.	Email sent to the Organiser and to GBSki to ensure the event is added to the British Calendar.
	Moves to GBSki.	
GB Calendar Added	The Event/s have been added to the British Calendar.	Email sent to the Organiser.
	Moves to GB Snowsport.	
NSA Host Nation Approval	All British FIS events require agreement from the Host NSA to run the events in their country. This must be done via the GBR rep on FIS Classification Committee.	Paul Trayner is the current GBR rep on the FIS Classification Committee. GBS will pass the request to the GBR rep once the above stages have been satisfied. The Organiser is only contacted if Host NSA has an issue/query with the request.
FIS Calendar Added	After agreement from the Host NSA and approval by FIS the Event/s are added to the FIS Calendar.	Email sent to the Organiser to confirm their event has been added to the FIS Calendar.

Notes:

Key Personnel: Race Secretary and CoR are mandatory for a Detailed Application.

To amend a 'Submitted Application' cancel the event in the 'Checks/Requirements' tab, make the changes and re-submit your application. The system will update the application.
