Club National charges information

Snowsport England charges £6 per racer for club nationals. This is to cover costs outlined below and cover some overhead charges. We want to keep this fee as low as possible but we do need to cover costs. This will be reviewed by the Alpine committee before the 2022 season.

TD Fee	£80 (current day rate)
TD expenses (Travel, food and accommodation)	£175 (Average)
GBS Calendar fee	£40
Alpine Squad	£1 per racer
C/C fees	2.5%

Contribution to overhead (maintenance race entry system, office costs, insurance costs, committee costs)

Example

So based on a race with 100 entries (we do have races with more but also some with less than a hundred).

SE income	£600
