GBR & Lowlander Technical Delegates' Forum
FIS Seminar, TD & Race Officials Update
Saturday 6th November 2021
PLEASE CHECK THE TIMES BELOW
Cost £15 for Race Officials for Saturday to include a light lunch

GBR & Lowland TD Commissioner - David Mansfield
GBR Alpine & Telemark TD Forum Chairman - Adrian Pery

The annual Technical Delegate and Race Officials' Update will be held over the weekend of November 6th and 7th at the Arden Hotel near Birmingham Airport. All Race Officials and Coaches are welcome to attend the Update Seminar on Saturday 6th November. This seminar will be conducted in English.

The TD Forum will abide by any applicable Covid protocols and guidelines. For information about the hotel please check Arden Hotel | covid-19. Masks are recommended when seated at tables in close proximity and all attendees should be vaccinated.

This is the only real opportunity in the year to attend a race rules and organisational update with all interested parties present and expert advice on hand. This provides a chance to exchange experiences, discuss topics and co-operatively contribute to the development of the sport. It is vital to keep abreast of safety regulations and new rules, and to ensure (for the sake of the athletes as well as ourselves) that we are all following the same rules, regulations and procedures regardless of the level of event.

The Update Seminar is open to representatives from all countries in the Lowlander group. The programme will be guided by FIS Update, but with an emphasis on the items pertinent to our officials and the events we run. Those organising calendar events are encouraged to attend, and coaches are also very welcome especially those who wish to qualify as Referees. Technical Delegates must attend the Update Seminar as part of the on-going validation of their TD licence.

The update is an in-person attendance but if you are immune-compromised or unable to travel due to the ongoing pandemic then please contact the TD Forum Chairman or Andrea Grant in the first instance.
