The annual Technical Delegate and Race Officials' Update will be held over the weekend of November 3rd, 4th and 5th at the Pinewood Hotel (Best Western), near Manchester Airport. All Race Officials and Coaches are welcome to attend the Update Seminar on Saturday 4th November. This seminar will be conducted in English.

This is the annual opportunity to attend the rules and organisational updates with the wider Alpine community that delivers our wonderful events. It will provide the chance to share our experience and knowledge, discuss current issues and how we continue to develop our sport. This forms an important part of the safe and consistent delivery of our events, ensuring that we will all be updated on the current changes to the Alpine rules and regulations. This protects our officials, competitors and sport, regardless of the event level.

The Update is open to all the representatives from the Lowlander group countries. The programme will be guided by FIS Update, but with an emphasis on the items pertinent to our officials and the events we run. Those organising calendar events are encouraged to attend, and coaches are also very welcome. Technical Delegates must attend the Update Seminar as part of the on-going validation of their TD licence.
