British Alpine & Telemark Technical Delegate Forum
Summary of Decision on Race Seeding

Place: Hillend	**Country**: UK	**Codex**: GBR 8280, 9280
Name of Competition: GBR Outdoor Series 2025		**Date**: 19th July 2025
Category: GBR (OBARTS) U14+	**Gender**: M & W	**Event**: Slalom

Description:

First run completed, although started late and paused for lightning. Thick fog came in towards the start of the second run. Consolation run took place with good visibility, then started to close in for the first of the female racers. With visibility reduced to around three gates, Jury agreed that the only option was to terminate the second run.

Summary of decision taken:

In accordance with BACR III article 6.7 (criteria for accepting events for seeding) which requires GBR races to take place over two runs with the aggregate time of those runs to decide the result, the races indicated above (codex 8280 and 9280) will not be seeded.
