Provisional programme

To be confirmed at the team captains' meeting on Monday 2 January, 1730
Hotel MIAGE, Pont Suaz 252, Charvensod 11020, Aosta, Italy

Please note proposed changes. Times are shown as “no early than”. If the schedule slips we will strive to minimise lost time. No charge for additional U14/U16 runs and seeded events.

The plan for Bairns and Lassies is to start on Tuesday with two runs of a full giant slalom, fastest time to count, and the course to be tweaked between runs to keep the times as equal as possible. For Wednesday’s combi (slalom with GS sections) and Thursday’s “stubby” slalom there will be three runs of the course with the two best times to count.
