Provisional Programme remains the same. Snow conditions on the race and training pistes are excellent, and additional snow fall is expected in resort over the week prior to the event. If there is excess snow fall then SG races may be changed to SL races. A decision will be made at the first Team Captains' meeting.

The programme is aimed at providing young racers with the maximum amount of time possible on their speed skis, however weather conditions may force a change of programme. We highly recommend all competitors have representation from the Sunday night in case of programme changes, and have equipment for both slalom and giant slalom disciplines available.

RULES

BASS and unseeded races for U16, U14, U12 and U10 will be run under BCR (FIS ICR as amended by BSS). Competitors are reminded to check the latest Equipment Rules.

No slalom helmets or helmets with chin guards attached will be allowed for any of the SG, GS or "Speed Race" events.

Due to the expected number of International entries who race wearing catsuits in their home Nations, the Jury plan to review the options and make an announcement relating to British U10s & U12s wearing catsuits at the first Team Captains' meeting.

Coaches will be appointed as Referee by the TD.

We will need five gate judge volunteers per day for the SG races, which we will be asking for at the first race meeting. We would also be grateful for help with; provisional timing-board staff, commentators & bib collectors. If you are interested in helping please contact the race secretary. Free two-day lift passes which cover skiing within the region will be provided for those helping with any event jobs.
