ARTEMIS ANGLO SCOTTISH CUP , final bulletin 02/01/2018

All events will take place under the top chairlift in CREVACOL.

Provisional programme

To be confirmed at the team captains' meeting (TCM) at 1730 on Wednesday 3 January
Hotel MIAGE, Pont Suaz 252, Charvensod 11020, Aosta, Italy

Times are shown as “no earlier than”.

Bibs not collected at Wednesday’s TCM will be available in the area between the BASS finish and the Bairns’ start on the Thursday morning. BASS (U14/U16) bibs must be handed in at the finish area after each race. Bairns must keep their bibs after Thursday’s race for Friday when each age group start order will be reversed. There will be a new draw for Saturday.

For U16/U14 on Friday and all groups on Saturday and Sunday, bibs will be available for collection in the sheltered area at the bottom of the top chairlift.

Bairns and Lassies start on Thursday with two runs of a stubby slalom, fastest time to count. For Friday’s combi we plan to run a slalom with GS sections – slalom skis recommended – and will aim for three continuous runs with the single best time to count. For Saturday’s Giant Slalom we plan for two runs of a full length course with the best time to count. Bairns’ race courses to be continuously repaired and tweaked as necessary to keep the times as equal as possible.

For the Pocket Rocket competition on Sunday, the fastest 12 Bairns and 8 Lassies from Saturday’s event will be invited to race as a group ahead of the U14/U16 event on Sunday.

0745 Crevacol ticket office open each day
0755 course setters, jury and radios, bottom chairlift
0810 chairlift open to all, priority to U14 racers

Reminder on catsuits:
U10s, no catsuit to be visible.
U12s, catsuits will be dependent on the weather – to be discussed at TCMs. If full catsuits are forbidden then extra layers (top and bottom) will be required.

Start lists and programme confirmations will be posted on GBski.com each evening
