AMBITION PRO DUAL SLALOM EVENTS

These events are pilot / test events for 2018 so it maybe that the format from the 3rd June event is edited going into the 30th September event.

All athletes will have 2x runs through a panelled (pro) slalom course, with the best run used for seeding the knock out rounds. Athletes who do not complete either of the individual runs will be seeded last. All athletes will enter the knockout stages and where required we will use 'bye' rounds. Athletes will **NOT** be split into individual Male & Female categories for the first event on 3rd June 2018, there will be 3x categories only, split by age.

The knock out rounds will then be run using the following categories; U12&10, U16&14, U18+ (3x categories). The knock out rounds will be head to head, with the top seed (better ranked) running on the red course each time. The knock out rounds will consist of 1 run & will be instant knock-out races using line judges to decide the winner of each race.

In each of the 3 categories there will be a 'BIG Final' and a 'SMALL Final'. The finals will decide the podium in each category.

AMBITION PRO DUAL SLALOM BIB ISSUE & START ORDERS

The start orders for the individual seeding runs will be drawn randomly and will include male & female athletes together. The running order will be U12/10 athletes, followed by U16/14 and finally U18+.

We will use the same running order for both of the seeded runs.
