Minis, including girls, will also be accepted and will have two events of their own. Competitors wishing to make an entry must be in full time education.

Entries for the British Schoolboys Races should be made individually or by school teams of which they are members and signed by teacher or parent to whom the competitor is responsible. ALL competitors MUST be in the charge of an adult who is in the resort and who is responsible for them at all times. Minis are not included in school teams and team events.

Insurance and athlete's declaration forms

All competitors need to provide proof of insurance, which must include cover for withdrawal from the race and event cancellation, with the entry form. Entry fees and lift passes are non-refundable.

Parents of all non-BASS registered competitors, unless submitted at last year's race, will be required to sign an Athlete's Declaration, which can be found on the web sites mentioned below.

Unregistered racers must be clearly marked if they have never been registered for BASS points. A list of unregistered racers will then be circulated before the first team captains meeting for agreement by the meeting.

The entry is submitted for the racers named and confirms that the racer agrees to abide by the British Competition Rules as well as submitting an athletes declaration when registering with BASS or given to the organisers if unregistered. He must also have sufficient and adequate insurance covering withdrawal from the race and event cancellation, proof of which must be available with the entry.
