Start lists and programmes

Please check the Acceptance List and email corrections by return to **deb@djmanns.com**
Provisional start lists will be drawn prior to the team captains' meetings for efficiency. After the TCMs, detailed programmes will be available on **http://gbski.com/** to view or download.

Groups drawn for the U10 and U12 races on Monday will be run in reverse start order for Tuesday which means that our younger racers should keep their bibs overnight.

For those travelling to Aosta or staying in the town or in the valley, we recommend uplift to Pila via the Aosta gondola lift. Ticket office and uplift from 0800. The race pistes in Pila are served by the Leissé and La Nouva chairlifts. **http://www.pilaski.co.uk/skiing**

Weekend training, Saturday 16 March and Sunday 17 March

STOP PRESS we have secured the Leissé race piste in Pila for the entire weekend. BSA coaches will control course setting and maintenance with visiting teams invited to set shadow courses. Teams without their own gates will have access to gate training which will only be restricted according to demand, and so long as team managers help to supervise the training courses and take responsibility for their charges. (Full access to gate setting will also be available in the resort of Crevacol.)

Sunday 17 March

16.30 Team captains' meeting at the Hotel MIAGE in Pont Suaz on the outskirts of Aosta at the bottom of the road up the hill to Pila. There will be another team captain's meeting ASAP after Monday's prizegiving at The Hermitage restaurant by the La Nouva slalom finish area.

Children's sizes €40, adult's €50, available for purchase at the Hotel Miage from Friday 15 March and at the BSA tent outside The Hermitage when the races commence.

Prizes

This Alpine ski competition is a challenge to schools in Britain to compete for the "Champion School Cup". Ski racers from age 8 to 20 take part, and the points system ensures that they all compete against each other. In the event of an international school winning the overall team prize a special trophy is awarded. The races are open to individual entrants. For U14 and older the races adhere to British competition rules in order to qualify for British Alpine Seeding System (BASS) national seedpoints.

The results of the interschool competition are calculated from individual "top ten" results by awarding points within five age categories. These points are awarded separately for girls and boys in five age categories: U10, U12, U14, U16 and U18/U21. The two best individual results to count each day, with the third best result to count (and so on) in the event of a tie.

Winner, fifteen points; 2nd twelve points; 3rd nine points; 4th seven points; 5th six points; 6th five points; 7th four points; 8th three pts, 9th two points; 10th one point.

Overall category winners receive an Artemis British Interschool Ski Challenge trophy. Medals will also be awarded to the fastest five boys and girls each day at each level: U10, U12, U14, U16 and U18/U21.

Gatekeepers

ARTEMIS

Artemis British Interschool Ski Challenge 2019

Pila, Aosta Valley, 18 & 19 March

Organised by the British Ski Academy

Please email **britskiacad@hotmail.com** if you are willing to volunteer as a gatekeeper on either race day. Gatekeepers receive a lunch pack and event hoodie per day. We will have a gate-keeping seminar (with drinks!) after Sunday's TCM. Please consider getting involved. Alpine ski racing relies on volunteer mums, dads and visiting teachers!

BASS races for U14/U16/U18/U21

British Alpine Seeding System races run according to British Competition Rules.

Racers are reminded that helmets for giant slalom must conform to GB rules, i.e. no soft sides or soft vents. **http://gbski.com/**

Properly fitted back supports are recommended but not mandatory.

Notes regarding the U10/U12 races

Each day we plan to have two runs on the same course with the fastest time to count. We will endeavour to maintain the course speed throughout the day with constant repair and tweaks in case of deterioration.

U10/U12 racers may wear catsuits, but prepare to cover up if the weather is foul.

Hiking

Hiking up after a mistake is forbidden in Giant Slalom and only allowed in Slalom if it can be done **without** impeding the next racer. Where U14 racers are concerned, it should be noted that each separate race run is a separate BASS seeding event. And the U10 and U12 racers discard their worst run each day anyway. Please inform your racers.

Conduct

The resort have asked that competitors ski in a safe manner and with due regard for the safety and enjoyment of other hill users. Racers caught skiing dangerously may be excluded from the races. In particular please slow down well before joining lift queues.

Keep lift passes handy for the chairlifts. Be careful! No ticket, no chairlift…

And finally, please, no littering.
