Scottish Children's Championships Race Bulletin 24.00 05.03.20

Please note a revised start list has been issued tonight. The original start list mixed U14 and U16. The correct start list separates them.

It is our intention to run a GS on the Saturday, but please come prepared for SL incase conditions mean we have to change plans. We will notify you as soon as possible if we switch from GS to SL, as that will mean different bib numbers and start order.

Sunday will only be SL.
