British Alpine Technical Delegate Forum
Minutes of Decision on Race Seeding

Place: Cairngorm	**Country**: Scotland	**Codex**: GBR8074-77, 9074-77
Name of Competition: Scottish Children's Championships		**Date**: 07-Mar-2020
Category: GBR (BASS) U14 – U16	**Gender**: M & F	**Event**: Slalom

Description:

The slalom was scheduled to be run on the White Lady (homologated) but high winds caused closure of the lift. The race was instead run on the Fiacaill Ridge piste, which is not homologated and has a vertical drop of 85m (15m short of the minimum stipulated in the regulations). Gate count within regulations for minimum drop (100m). Race under the supervision of a senior official as stand-in for TD as no TD was available for this event.

Summary of decision taken:

The request to seed the race despite the short vertical drop was granted.
