Norfolk Club National 5th June 2021

Update

I would like to thank those who have entered the Norfolk Club national on Saturday 5th June 2021. Your support is very much appreciated.

Due to the number of entries received to date, we have decided to impose a limit of 150 racers for the event and have also brought forward the closing date for entries to **7pm, Friday 28th May 2021**.

As the race will be run under Covid-19 measures, this will enable the organising team to confirm the running order of groups, bib numbers and programme in the Acceptance Bulletin, so that all involved will be able to finalise their arrangements in good time for the event.

Thank you for your understanding.

Lloyd Jenkins
Chief of Race
