After bib collection, there will be a warm-up period of 20 minutes, which will take place on a section of slope to be confirmed and will consist of space for free skiing. Open practice can only take place within your timetabled period and wearing your visible bib.

Each group of racers will be invited to course inspect for one run, at their scheduled time, for a period of 10 minutes. Normal course inspection rules will apply, with bibs to be worn and visible at all times. Racers are asked to distance as much as possible during inspection.

Following course inspection, there will be a period of 5 minutes to enable each group to get to the start. In bib order, each group will race all three race runs consecutively, with overall times recorded by the race organisers.
