Chill Factore have requested that Race Groups be limited to 30 racers. This means each group will need to clear the hill before the next group can enter. Should either the U12/10 attract more than 30 entries, or the Male or Female race attract more than 60 entries, an additional group may need to be added or one group may be mixed.

Groups will be called forward by commentary and also using WhatsApp. The new groups for Run 2 will be posted on WhatsApp and on the Gazebo noticeboard as quickly as possible

Disqualifications will be announced immediately, and racers will be informed by the Finish Referee. Formal protocol will be announced at the end of each run, except for the U12/10 race.

Disqualified racers in the first run may get a consolation run, if possible, at the end of the last group. Racers not wanting to take their consolation run must hand in their bid at the end of their first run, or return it later, to the marshal at the slope door.

Racers are reminded that hiking to correct a mistake is an option but not a right. Racers must clear the course if instructed to do so by officials.

The entry/exit point will not be the usual door in the changing village. Instead, we will be using the door beyond the climbing wall. When called, groups should make their way to the door but must not enter until instructed to do so by Race Marshals

Every attempt will be made to keep to the event schedule; however, the organisers reserve the right to amend the schedule as appropriate.

Open Practice on Friday 16 July 2021
