eola GBR Events 2021
Indoor Races 1 & 2
Chill Factore, Manchester
17th & 18th July 2021

Race Bulletin No: 4 – Start Draw

This event is organised by Snowsport England. We would like to thank the management and staff of Chill Factore and all volunteers for their assistance, without whom there would not be a race.
The organisers wish to thank eola for their sponsorship of the GBR race series.

Please join our Whatsapp group for information throughout the day, this is a one-way traffic group for admins only:
https://chat.whatsapp.com/GN2ukD3jtWyGpBY830BxWW

Live timing
There will be no provisional timing board, we will be running live timing which can be accessed at:
www.skiresults.co.uk or via the Live Timing tab on GBski : GBSki.com :: Live Timing

These races are taking place whilst COVID restrictions are still in place, please make yourself familiar with the rules and additional covid requirements issued by Chill Factore and included in this bulletin.

Face Coverings and social distancing
All racers, race officials and any person entering the Chill Factore building must adhere to social distancing and wear a face covering.
Racers will be able to lower their face covering whilst descending the slope only.

Seed points
Please note, if you renewed your home nations registration after the last seed list was produced you will not be credited with seed points from past lists, so your seed points from those lists will not be used to determine your start position into this race. You will be entered into this race with 999 seed points (as per BACR Book 1 621.2) However points gained from this event along with points from previous years will be used to determine your points on the next published seed list..

Officials
We are still looking for volunteers to help on both Saturday and Sunday. We have some roles on the hill (so you actually see the race) and some off the hill. In particular, we could do with volunteers to help with bib issue.

Course Inspection
Due to covid restrictions we are limited to the amount of people we can have on the slope at any one time.
Coaches **may not** accompany their racers for course inspection.
Coaches who are part of the official on snow hill team will be allowed on the slope.
Support for u10/u12 course inspection will be provided.

Second run order
U10/U12
Second run will be in reverse bib order, girls followed by boys i.e. bib 18 will run first descending to bib 1 followed by bib 30 descending to bib 19.
Female/Male
We are going to be racing in groups of fewer than 30 racers, the jury have decided to flip the top 15 only for the second run.

Disqualifications
Because the numbers on the hill are restricted, disqualifications will be called by the Jury plus the start and finish referees. Racers will be informed by the finish referee of their disqualification immediately. Appeals will be heard during the break between runs.

Consolation Runs
Racers disqualified in the first run and those who do not finish the first run will be allowed a consolation run after the last racers in both Female and Male races.

Course repair
At the request of Chill Factore, the final group on the hill (which will include those taking a consolation run) will be asked to return to the top and slip the course, after the gates have been pulled

Group details
Due to a restriction on numbers allowed on the slope because of covid, racers have been spilt into groups based on bib numbers as below.
Please see timetable for your groups time allocation.

U10/u12
All competitors in one group. Run 2 will start immediately after run 1.
Female/male
Groups for run 1 as detailed below.
Run 2- new groups will be established (Groups A and B for both male and female) based on results from run 1.
