Entry Criteria

The event is open to all regions recognised by Snowsport England and the home nations of Wales, Scotland, N.I. and Eire. Each region may enter up to three teams and Wales, Scotland, Northern Ireland and Eire may enter up to two teams.

If the event is under subscribed then the Regions and Home Nations may enter additional teams subject to a maximum of 24.

Each team shall consist of seven racers two of which are to be the opposite gender to remainder of the team members. All competitors must be a minimum of U14 and not more than three must be Seniors/Masters.

All competitors must be registered with a home nation governing body. Each team must provide one race official for the event in addition to the organising team.

Where competitors are shown on the applicable oBARTS list (2021.4) as affiliated to a Snowsport England member club, the Region to which that club is affiliated has priority selection. Where competitors registered with a non-English HNGB are shown on the applicable BARTS list as affiliated to a Snowsport England member club, but they are not selected by the Region to which that club is affiliated, they may be selected to compete for their HNGB.
