Race Format – Amended 2021 Covid-19 Grouped Race Format

Due to current restrictions and safety guidelines, this event will operate in an amended format as developed and trialled by ERSA and adopted by Snowsport England.

The race will be split into groups, and each group scheduled with an on-site arrival time, bib collection time, allocated open practice time, and then will race three runs on the same course, followed by enough time to leave the venue.

After the entry systems closes, the running order will be determined, and the bib numbers allocated and published online, along with a full acceptance list and event timetable. This will show the earliest on-site start time for each group, with a programme for each round of races and the latest time for leaving site. This event, and any future races, can only operate if everyone follows what is requested of them to meet restrictions and guidelines. Please follow all on site instructions.

Following open practice there will be a period of 5 minutes to enable each group to get to the lift queue. In bib order, each group will race all three races runs consecutively, with overall times recorded by the race organisers. After completing their runs, racers will be required to leave the slope before their designated time, making space for subsequent groups of racers who will be arriving for their allocated time slot.

Racers may carry skis to the top between runs but must not have more than one pair of skis in the start area at any one time and may not return to the start after their third run. There is no ability to leave items at the top of the slope for collection at a later stage, items left will be disposed of under Covid Rules. No one other than racers may be in the start area at any time.

Results will be calculated by the end of the day and published to www.skiresult.co.uk and www.gbski.com. Results will be based on the following criteria U12 and below results based on best time of the 3 runs and for U14 and above results based on best 2 times from 3 runs.

Snowsport South have decided that no prizes will be awarded on the day. They will either passed on a member from you club or presented that the next race.

IT IS SNOWSPORT SOUTH INTENTION TO MAKE THIS A COVID-19 COMPLIANT AND SAFE RACE, HOWEVER THIS REQUIRED ALL WHO ATTEND TO BE COMPLIANT AND FOLLOW NATIONAL, LOCAL AND RACE GUIDELINES
