British Ski Academy Firpark Slalom Invitation Sunday 11th July 2021

Final Bulletin

BSA invites registered (U10 – Master) and non-registered (U10/12) racers to compete in the BSA Seeded Slalom to be held at Firpark Snowsport centre on the weekend of Sunday 11th July 2021.

The event is organised by the British Ski Academy. We would like to thank the management and staff of Firpark Snowsport Centre, without whom the race would not be possible. We are very excited to be able to run the first race back at Firpark, however the race format will look different to pre-COVID. With the help of Firpark Snow Centre and Clackmannanshire Council, we have put together a day of races that aim to be as safe, efficient, and importantly, as much fun as possible.

Please make sure that you read the document carefully and understand the changes that have been made to comply with current regulations and safety measures. We hope you understand and appreciate the procedures/set up that have been created; our number one priority is safety for all concerned. More detailed information on groups and timings will be released once entries have closed.

Racer Categories by Year of Birth

U10	**2012-2013**
U12	**2010-2011**
U14	**2008-2009**
U16	**2006-2007**
U18	**2004-2005**
U21	**2001-2003**

Format for the Day

The U10/12 racer will have 3 runs with the fastest run to count.
U14+ racers will have 2 runs through the same course combined for the results.

- Check-in is at the bottom of the slope. Once a competitor has checked in, the guardian must leave the area.
- After bib collection, there will be a warm-up period of 25 minutes, which will take place on a section of slope to be confirmed and will consist of space for free skiing. This will likely be the skiers left of the slope.
- No external coaches are allowed onto the slope except for course inspection after which they will be asked to leave.
- Open practice can only take place within your timetabled period and wearing your bib that must be visible.
- Each group of racers will be invited to course inspect for one run at their scheduled time for a period of 10 minutes. Normal course inspection rules will apply, with bibs to be always worn and visible. Racers are asked to distance as much as possible during inspection.
- Following course inspection, there will be a period of 5 minutes to enable the group to get to the start.
- In bib order, each group will race both (three for minis) race runs consecutively, with overall times recorded by the race organisers.
- After completing their race runs, racers will be required to leave the slope as soon as possible, following a one-way system, making space for subsequent groups of racers who will be arriving for their allocated time slot.
- Racers may carry skis to the top between runs and will be able to do a run after their timed runs to get any equipment at the top.
- No-one other than racers may be in the start area at any time.
- A limit of 30 people inside at the fencing at any one time will apply throughout the day.
- Live Timing will be available on a link circulated on BSA social media prior to the race.
