Entry Criteria and Race Format

Seeded Competition
The Club National seeded event is a Slalom consisting of three runs down the same course and is open to Home Nation registered racers in the following categories: U14, U16, U18, U21, Senior, and Masters. Prizes will be awarded based on the best time from the first two runs plus the time from the third. Racers with the highest seed points (or no points) take priority if the race is over-subscribed.

U10/U12 Races
Club National competitions include races for U10/U12 age categories. These will be run using stubby gates, with three runs down the same course, and prizes awarded based on the best time from any of the three runs.

Unregistered Racers
If the race is under-subscribed, racers who are not registered with any Home Nation may be entered into the race by completing their race entry and signing an Athlete's Declaration. Any such racer who cannot show membership of a club affiliated to Snowsport England will need to pay a £5 fee to cover admin and insurance in addition to the normal race entry fee.

Start Order

The start order will be drawn on Thursday 19th May using the BARTS Outdoor Seed List and verified by the Jury. This seed list can be found at https://gbski.com/seeding#BARTS.

For the first run the top 15 seeded competitors will be drawn, with competitors seeded 16th onwards running in seed point order, followed by a random draw of all registered racers with no points, followed by a random draw of any unregistered racers.

For the second run the start order is the same as the first. For the final run, the start order will be calculated based on the best time from the first two runs. Anyone who fails to complete at least one of the first two runs will not be included in the final run start list. DNFs may be given the opportunity to ski their third run on the day, dependent on the schedule of day and number of competitors.

For the U10/U12 race, in the first run all entries will be randomly drawn, with the girls and boys mixed. In the second run the start order will be reversed. For the third (final) run the start order will be the same as the first run.

Start lists will be published on GBSKI and on the official notice board on race day.
