VOLUNTEERS / SUPPORT

We may require a small amount of help from parents & supporters in resort during the races.

The races are being run by a small team from Ambition Racing.

We will organise the athletes into groups for sliding the course (men for ladies and vice versa).

We will also have a small team of British officials in resort, including a TD & Chief of timing to ensure the race meets the BCR standards for seeding.

PHOTOGRAPHY

COVID MANAGEMENT

- Entry to Austria is currently permitted on a restricted basis. For more information, please check the Gov.uk website for rules and exemptions.
- For testing before, during and after the event, please see https://anmeldung.salzburg-testet.at/#/public
- Lift passes are to be purchased directly with the lift pass office **BEFORE** the championships. The Salzburgerland Super Ski Card (regional pass) includes Hinterreit. You will need to provide proof of Vaccination & QR codes to be able to validate your lift passes. We will **NOT** be selling any ski passes prior to or during the competitions.
- The races will be run as **spectator free events**. Only organising staff / officials + athletes are permitted on the race hill. Hinterreit will be open for free skiing on the public side of the venue only upon purchase of a ski pass (no-one is to enter the venue upon foot).
- The Hinterreit café / restaurant will not be open to us during the competitions due to its size. Please ensure your team / club members have appropriate clothing and food / drink to be outside for the duration of the event.
- All teams will need to provide a **daily** paper copy of the **health questionnaire** for athletes & staff at bib collection to be accredited to enter the race hill.
- We would like each team to provide 1x coach as a 'referee'. We can then cover the hill fairly for both course repair and DQ's.
- Masks are to be worn at any point of close contact. Includes lift queues, bib collection and in the start / finish area prior to athletes competing.

RACE STRUCTURE

The races will be run as follows;

U12 / U10

Separate women's / men's start lists. U10 at random into U12 at random. 1st runs in ascending order. 2nd runs in descending order. Best time of the 2 runs to count.

U16 / U14

Separate women's / men's start lists. All U14's first at random, U16 top 15 at random, then ascending BASS point order. 2nd run (for all) competed as per U16 rules with top 30 reversed and then ascending time order. DNF 1's (regardless of age) will not compete in the 2nd runs.

**The U16/14 structure is due to us not having an on-site calcs official (in turn due to COVID restrictions and being able to travel to Europe). This means U14's will have 1x seeding opportunity per day (run 1) rather than 2x seeding opportunities. The U14 championship results (prize-giving) will be decided over both runs as normal.*

Sadly, without our on-site calcs official, it is unlikely that we will have live timing, although we are trying to find a solution for this before the event.
