Gatekeepers still required for the BASS races. Please advise names and details of availability, even if only for half a day, at the team captains' meetings or by email to tracy@brtiskiacad.org.uk. Gatekeepers are offered heartfelt thanks and 50 euros towards their lift pass. Please be prepared to meet at your race start at the latest **twenty minutes before the forerunners are due to start.**

Conduct and Safety

Racers, don't hike! If you come out of a race course, either by falling or simply losing control, you are not entitled to climb up to resume your run. Hiking is illegal in BASS Super G and Giant Slalom and only allowed in Slalom if it can be done without impeding the next racer. Where U14 racers are concerned, note that each separate race run is a unique BASS seeding event. And the U10 and U12 racers discard their worst two runs for both slalom and GS each day.

The resort has stressed that competitors ski in a safe manner on the public pistes, or with due regard for the safety and enjoyment of other hill users. In particular, please slow down as you pass the Hermitage restaurant. Racers caught skiing dangerously may be excluded from the races. Keep ski-passes with you. No Super Green Pass, no ticket, no lift. And finally, please, no littering.
