Invitation to the
26th English Alpine Championships
9th to 17th February 2023
BORMIO, Italy

I have the pleasure of inviting you to attend the 2023 English Alpine Championships. I am excited that we will be back running the championships as normal this year and we have developed the programme even further. We have split the U14 and U16 so their days are not as long, and it will help make sure the condition on the courses is as good as it can be. To allow this to happen we have brought forward the FIS races to start on the Thursday the week before. We will be having the opening parade and the night parallel which will be run as a relay for the first time.

I am sure it will be another fantastic year of racing and I hope to see you all on the slope in Bormio.

Tim Fawke, CEO & Chief of Championships

PROVISIONAL PROGRAMME – *Updated for 2023*

A detailed programme will be published in Race Bulletin 2, and you can always find the latest edition of the programme and all other information on the Championships web site. The Organising Committee reserves the right to make changes to the published programme should they deem it necessary. Any programme updates will be notified as quickly and as widely as possible via social media and online.

From Tuesday 7th February 2023, the race office and official notice board will be in the Auditorium, Via Funivia, Bormio, and will be open daily from 16.00 until 17.15. Please note that opening times may change, details of opening times will be posted outside the building.

RACE ENTRY DETAILS

To participate in these Championships, British competitors in age groups U14 and above must be registered with their Home Nation (Snowsport England, Scotland or Wales).

British competitors in U14 and U16 age groups **must** renew their HN registration **no later than Monday 23rd January** for their seed points to appear on the BASS list and thus qualify to be used for this competition. Failure to renew your registration in time means you will race at the back of the field with 999 points.

All competitors must have a current insurance policy that permits them to ski race. The Organising Committee may require proof of insurance such as a valid governing body race licence or an independent certificate of insurance.

All U18, U21, Student, Senior and Masters Racers are reminded that they **must** be registered with FIS as an Alpine competitor to take part in these championships (please note that a FIS Masters registration is not the same as a FIS Alpine registration). Applications for the appropriate licence should be made direct to GB

Snowsport as soon as possible and at least **three weeks prior to the closing date.** The Organising Committee accepts no responsibility for any failure of competitors to ensure that their FIS registration is valid.

Competitors in the U10/U12 races must have either signed the British Athlete's Declaration or be registered with their Home Nation.

The Organising Committee reserves the right to refuse entry to skiers who do not possess seed points and who cannot demonstrate a minimum level of competence. Suitable evidence may include previous race results or a Coach's certification.

All British entries must be made via the official online entry system at https://entries.snowsportengland.org.uk/ (or if necessary using on the official entry form (one per competitor)), and will only be accepted if accompanied by the correct race entry fee of **£57.50 per competitor per race**. (**£30** for the U10/12 Parallel).

For the Super-G races the entry fee will be **£35 per competitor per race** (i.e., **£70** for the Super-G day).

For the Rossignol Team Parallel Slalom there will be an entry fee of €60 payable in cash in resort when you hand in your completed Team Entry Form.

Cheques must be made payable to "Snowsport England" and sent to the Championship Race Secretary.

International (non-British) FIS entries **must** be made through your National Ski Association on the appropriate NSA FIS entry forms in accordance with FIS regulations, and in line with FIS Quotas for your nation.

The closing date for British entries is Monday 23rd January 2023.

Depending on the number of entries from British competitors, we may allow a limited number of non-British entries into the Children's competition (U10, U12, U14 or U16). Please contact the race secretary for more information if you fall into this category and wish to enter. Note that we may not be able to give you a decision on accepting your entry straight away. If we do accept your application, you should use the standard entry form which is at the end of this bulletin. **Payment for all non-British entries will need to be made before the start of the Championships.**

Entries in U14 and U16 races are expected to be large and will therefore initially be limited to British registered racers. Decisions on the possible acceptance of non-British entries in these age groups may only be possible once the closing date has been reached.

Acceptance of entries in the resort will be dependent on the entries already received and the snow conditions. Competitors are therefore warned that their presence in the resort will not necessarily gain them entry into the races.

If late entries are accepted, they will incur a penalty of £20.00 per competitor per race.

Acceptance Lists showing entries received by the closing date will be published on www.gbski.com by Wednesday 1st February (please note that this Acceptance List will not be updated with late entries).

REFUNDS

Due to the enormous cost of organising these Championships, there will be **no refund of race entry fees** after the race entry has been received, even if one or more races are cancelled. Please see our T & C for full details.

Refunds on medical grounds will be considered only on production of an appropriate medical document. Such refunds will only be considered if submitted within one month of the last day of the competition.

Refunds if you have a positive Covid – 19 test and need to isolate will be made minus an admin fee (proof of positive test required).

If the championships are cancelled completely due to covid restrictions then a refund of entry fees minus an admin fee will be made.

TRAINING, WARM-UP AND PUBLIC PISTES

Coaches/clubs/teams must negotiate training pistes directly with the resort. Clubs/teams are reminded that they will need to work together to ensure maximum use of available facilities. The Organising Committee will designate appropriate pre-race warm-up areas for each day of competition.

A briefing will be made at the first Team Captains' meeting about the warm-up rules and the consequences of violating them. As defined in ICR the OC is not responsible for managing or overseeing the use of training pistes or warm-up areas.

All participants are required to ski at all times in a manner appropriate to the conditions, and to treat other users of the slope with due respect. This is particularly important when skiing in areas open to the public. Failure to conform with these requirements or failure to obey the instructions of any member of the organising team or the resort staff may lead to removal of lift pass and/or suspension from the remainder of the competition. **Ski safe or risk disqualification or removal of lift pass.**

Competitors are also reminded that the goodwill of the resort in providing us with such an excellent venue for racing relies on our recognising that we all have a part to play in sharing the mountain with other users. In areas where the needs of the racing community and the general public overlap – particularly at Bormio 2000 where the area can get very busy at some periods of the day – all competitors are required to refrain from leaving their equipment in a way that blocks public access. Failure to do this may result in the equipment being forcibly moved by members of the organising team or even confiscated by the local police. **Keep runs clear or risk police fines or confiscation of equipment.**

We also hope to provide current or prospective race officials with opportunities to see how some of the roles work on snow. If you are
