44	Tunbridge Wells Girls Grammar							0
44	Verbier International School							0
44	Victoria College Jersey							0
44	Weydon School							0

The results of the Inter-School Competition are calculated from the individual results by awarding points for placings within category on each day as follows:

1st	15	6th	5
2nd	12	7th	4
3rd	9	8th	3
4th	7	9th	2
5th	6	10th	1

The categories for which these points are awarded, for both Girls and Boys separately, are: U10, U12, U14, U16 and one group for U18/U21.

The British Champion School will be the one with the best total points score from a maximum of two racers to count per day. In the event of a tie for the top three places, the organisers will look for the School with the higher number of first place, second place, etc. If this still does not resolve the tie, the organisers will determine an appropriate means of determining a result.

The columns in the results table above show the best two rankings scored by each school on each day of the competition, and then the points awarded for those rankings.

The best placed internationally based school will be awarded an international trophy.

In this years' competition, 63 schools took part, of which 44 scored points.
