Acceptance List V4
14:30 GMT on 9th March 2023

Entries

All entries have been accepted and are shown on the acceptance list below.

IMPORTANT: for the Interschool Ski Championships we need to know the school name for all entrants before the start of the competition. Without this information, any points that you might score from your position in the race results will not count towards the total for your school.

If there is no school listed alongside your name in the acceptance list, or the school name shown is incorrect, then please email deb@djmanns.com immediately with the correct information. If you know the names of other members of your school team then please include these in your email.

Further Information

A detailed race programme including the order of racing, location of lifts and pistes, and the intended timetables will be published soon.

To help you keep in touch with race information, we have created a WhatsApp group that you can join, which we will use to post things like start lists, referee's reports and timetable changes. Simply visit https://bit.ly/issc2023 or scan the QR code below to join the group.

Live Timing

Live Timing should be available during our races. To access this, simply visit https://skiresults.co.uk/ on the day of the race and click on the one you want to view. Links to the live timing for individual races will also be available via GBSKI for the two competitions:
