Acceptance Bulletin

Scottish Alpine Student Championships

11th and 12th March 2023, Cairngorm Mountain

Many thanks for your entries to SASC 2023, we have over 100 competitors descending on the Cairngorms for this year's event and we can't wait!

Please read this update **in full** as it contains important information about the competition, conditions, and competitors with pending payment/information before their entry can be accepted. The amended timetable is also available towards the end of the document.

Accepted Entries

Accepted entries are appended to this document. Entries marked with an asterisk (*) are currently **PROVISIONAL** subject to payment (by invoice) AND/OR completion of the pre-competition information form (https://forms.gle/iGKX2rkTXtvg2MWP8). Entries which are not paid/have not filled out the form will be **removed without refund** at the captains' meeting.

As a reminder, this competition is open to college and university students in the UK and graduates of these institutions, **as well as U18+ BASS registered racers**.

Refunds

As the entry deadline has passed, it is not possible to withdraw from the competition, except in exceptional circumstances. Please get in contact via info@sasc-snowsports.co.uk with, e.g., a medical letter, to request a refund.

Insurance Cover

All competitors must be a member of a home-nations (e.g. Snowsport Scotland) affiliated club. Those who do not have appropriate membership can purchase an optional £5 weekend membership of Scottish Ski Club - this covers third-party liability. For competitors that still need to purchase this, they can do so on the entry Eventbrite portal:

https://www.eventbrite.co.uk/e/scottish-alpine-student-championships-2023-registration-460744137117

Competitors can pay an additional £20 to upgrade this to a full season membership - the benefits of this include access to various mountain huts at Scottish ski areas, access to borrow club equipment, and partner discounts. Please contact the competition organiser at info@sasc-snowsports.co.uk for more information.

Weather & Conditions

The conditions on the upper mountain at Cairngorm, where the competition will take place, are currently excellent, with more snow on the way!

The forecast for this weekend is fair, with some strong winds but easing throughout each day. We expect any disruption to the schedule from the weather to be minimal, although unpredictable. The schedule of competition may have to be altered or reduced with little to no notice due to the weather - the organisers appreciate your patience if this occurs!

We recognise that there are some teams travelling some distance to attend, and we are aware that there is currently a Met Office Yellow weather warning for snow in place for Northern England and much of Scotland. Please take care when travelling and leave plenty of time for delays.

Format

Ski Race

The race will be a 2-run Slalom. Results will be made from combined times of the two runs. First run DNF/DSQs will be awarded a second run, but this will not count for a result. The jury may revoke this at any time, for example due to time constraints.

The race will be run in accordance with the British Competition Rules (BCRs), with the following amendments:

- ➔ VI.3: Specifications for competition skis are to be taken as *recommendations*, so are not enforced. This is to make the race more accessible.
- ➔ This event is run by students, for students - some race official roles will be fulfilled by competitors, for example course setting and refereeing.

NOTE: Helmets are mandatory for all competitors but these can be soft-ear helmets in line with BCRs.

Freestyle

Saturday will be an open freestyle coaching session for skiers and snowboarders who can get themselves around the mountain. The coaching will be provided by Blair from 3Stylesport - he will be at the park from first lift to provide tips & tricks and 1-to-1 coaching for all riders.

The Sunday Jam Session will run for a large part of the day and is directly partnered with Jibbin Collection who will be providing the prizes during the session and after. The session will run from 11am till 1pm - this is to account for uplift time and also to give riders a chance to get warmed and fired up.

The idea behind Jam Sessions has always been to keep the atmosphere chilled out, creating an environment where people have a chance to warm up and explore the park, pushing themselves as their confidence grows. The aim is that people will be inspired by shredding with a group where everyone is trying something new, trying a variation of something they already know or just trying to be as creative as possible within their ability.

Riders in the Sunday Session will be wearing bibs so as to be easily identified for any of the 8 ‘Best of’ prizes (information provided in the ‘Prize Giving & Awards’ section). On top of these 8 ‘Best of’ prizes, there will be as many as 15 separate prizes available to be won during the session. Jake from Jibbin Collection will be in charge of handing these out - he will not necessarily be looking to

award the people who are going the biggest or sending the hardest tricks. He will chat about what he will be looking out for at the Bib Draw event on Friday night.

All riders are required to wear a helmet when skiing in the park on Saturday and Sunday, we also highly recommend you wear a back protector. If anyone arrives at the snowpark on either Saturday or Sunday without a helmet they will not be allowed to participate in the coaching or competition and will be entirely liable for any injuries sustained.

Evening Events

Public Bib Draw

There will be a public bib draw for seeded competitors on **Friday 10th March at the Winking Owl in Aviemore from 8:30-9pm**. The race start list will be published online immediately after the draw. This event is open to all - please come along to see who will be rolling out of the start first! There will also be a short briefing for freestyle competitors. This will be followed by a live band!

Team Captains' Meetings & Bib Collection

The Team Captains' Meeting (TCM) for **both the race and freestyle competitions** will be held on **Friday 10th March, immediately before the bib draw, at the Winking Owl in Aviemore from 8-8:30pm**. All competitors must be represented by either themselves or their team captain. No-shows, or otherwise unrepresented competitors (or their clubs) may incur a £50 fine. Essential information regarding the competitions will be given, therefore it is essential that captains endeavour to attend.

Bibs will be available for collection on the morning of Saturday 11th March in the funicular base station in the car park at the bottom of the ski area. Bibs must be returned in the finish area immediately following the race. Any bibs which are not handed back are subject to a £50 fine payable to the SASC Committee by either the individual competitor or their club. Failure to pay this fine may result in a club not being allowed to enter the competition in 2024.

Prize Giving & Awards

Prize giving for Saturday's ski race will be at the Winking Owl in Aviemore from 7:30-9pm. This will be followed by a live band from 9pm–midnight, followed by our very own SASC DJs taking us to 2:30am!

Prize giving for Sunday's freestyle competition will be held on the mountain (exact location TBC) immediately after the competition at 1pm. The park will then re-open for an open session which teams are encouraged to stay for.

Medals will be awarded in the following manner:

- Ski race:
    - Men's and women's 1st-3rd fastest combined times.
    - The fastest overall (combined times) from a Scottish university in the men's and women's races will receive a trophy (to be returned in 2024).
    - Competitor's teams will be awarded points by a similar system to the FIS Alpine WC. The team with the most points (weighted for the size of the team) will win the

Team shield.
    - Snail award - slowest time will get a secret prize, so it's worth hiking to finish your runs!
- Freestyle - Not including awards during the Jam Session:
    - Best rail trick
    - Best kicker trick
    - Best overall Male rider
    - Best overall Female rider
    - Best (biggest) Spin
    - Best looking (Steeziest rider)
    - Best tranny finder
    - Best crash

Reruns (Ski Race)

As a reminder, the proper procedure on reruns is that a competitor who believes that their run has been impeded by outside factors must **stop immediately** and request a rerun from the nearest official (gate judge or member of the jury). The jury may award a rerun, or a provisional rerun (subject to a final decision on the reason for the rerun), and the competitor should then return to the start as quickly as they can. The competitor's rerun must happen before the final competitor in that run starts. Reruns will automatically be awarded in the event of a timing failure or some other failure to record a proper result.

Protocol & Protests

A WhatsApp group link will be available at the first Team Captains' Meeting - **only team captains and individual unrepresented competitors should join this**. All race documents will be posted to this group ONLY.

The protocol from each run will be posted on the WhatsApp group and a 15 minute window from the time of publication will be allowed for protests. It is each team captain's responsibility to check this document for disqualifications of their competitors and lodge a protest within the timeframe should they wish. BCR procedures will be followed where protests are subject to a £25 fee which is refundable only if the protest is successful.
