Race Bulletin No: 2 – Entry Criteria

Entry Limits

The number of entrants in the seeded competition is limited to a maximum of 180.

These races have become oversubscribed, so acceptance may be determined by seed points using the BARTS list current as at the closing date for entries. Racers with lower seed points will be given preference.

This means that all entries are provisional until the Jury meets after the closing date for entries.

If we cannot accept all entries, a draw will be made of those with the lowest seed points who will not be accepted into the race. Any athlete that this applies to will be informed and given a full refund.

NO more entries will be accepted after the original closing date of 4pm on Friday 4th August
