Acceptance List & Bulletin Version 4
Published at 0800 GMT on 7th March 2024

Welcome to Champéry!

Acceptance List

Please carefully check the updated Acceptance list at the end of this bulletin, and send any changes required or information to be added immediately to deb@djmanns.com, especially where School is missing or incorrect. ***School names cannot be changed once racing has started***!

Communication

Start lists, bulletins, results and other information will be published on GBSKI.com:
https://www.gbski.com/competition/1388

Coaches and team managers are invited to join the WhatsApp group using this link:
https://chat.whatsapp.com/LS2rbLki9bN3H9q16QjbIO
This group will also be used to publish Referee's Reports and other information on race day including programme changes.

Live Timing should be available for this competition, and can be accessed here:
https://gbski.com/bsalive

Lift Passes

The lift company have kindly agreed a significantly discounted price for racers and coaches, at CHF22 per person per day for race days (11th to 14th) only. The ticket offices in Champery and Les Crosets will have a list of competitors to check names. **Important**: these are daily passes, which you can buy the day before or on the morning of each race. Ticket offices should be open daily from 08:15.

For parents and supporters, there is a discount on the 'walk up' price if you buy your lift passes online: https://www.skipass-pds-ch.ch/en/welcome-to-the-swiss-area-of-the-portes-du-soleil/

Gate Judges and Helpers

We cannot run these races without your support!

We urgently need volunteers to assist with gate judging for the BASS (U14-21) races. In recognition of your support we are offering CHF70 per day to anyone willing to gate judge at one or more of these races.

There is also a vacancy for starter (operating the start wand at the top of the course) and for backup timekeeper at the end of the course, again for BASS (U14-21) races. These roles are vital to the event and anyone volunteering will also be appropriately compensated.

We would also be grateful for assistance with bib collection and if there is a parent willing to try their hand at commentary then that too would be great!

If you are able to assist with any of these roles please contact Malcolm Erskine on + 44 (0) 7970 495533 or by email at britskiacad@hotmail.com.

Training Lanes

Training space is available on Saturday and Sunday morning.

Coaches looking for training lanes/space **must** make contact via the coaches WhatsApp group to make their requirements known. A training plan will then be produced by the organisers. Space and time is limited, so teams are urged to co-operate in sharing the slope and equipment.

Rules, Team Captains' Meetings and Prizegiving

All events will take place in Les Crosets under British Competition Rules (BCR).

FIS Rules	https://gbski.com/icr
British Rules (BCR)	https://gbski.com/bcr
Guide to Racing	https://gbski.com/guide
Guide to Helmets	https://gbski.com/helmets

Start lists will be published on GBSki.com on **Sunday 10th March**. Start numbers will be drawn prior to the TCM for efficiency.

Programme to be confirmed at team captains' meeting (TCM) 1800 on Sunday 10th March via Zoom.

Subsequent TCMs will take place in the Portes du Soleil restaurant as soon as possible after the day's protocol closure (and the hearing of any protests). Prizegiving venues for Tuesday and Thursday TBC.

For those not attending the TCMs, any questions not answered in the bulletins should be addressed to Chief of Championships Malcolm Erskine tel + 44 (0) 7970 495533 britskiacad@hotmail.com

Programme Notes

For the slalom races (including U10/12), bibs will be available for collection at the bottom of the CROSETS 8-man chairlift. For Giant Slalom races using the GRAND CONCHE 6-man chairlift, bibs will be available for collection adjacent to the finish area, between the finish and the Portes du Soleil restaurant.

BASS racers are reminded that helmets for **Giant Slalom** must conform to the BCR, i.e. no soft sides, soft vents, and remove slalom chin guard. Properly fitted back supports are also recommended. Race bibs must be handed in at the finish area after each day's racing.

U10s and U12s will be permitted to wear catsuits unless the TCM decides otherwise the night before. In any case, in the event of foul weather extra layers for U10/U12 will be **compulsory**.

For Slalom races we will be setting two courses (girls and boys), and for Giant Slalom on Grande Conche one course will be set for each run.

Course conditions are expected to be "spring-like" due to the forecast of warm weather. You will note that for the slalom races we have overlapped the girls second run set and inspection to take place while the boys are completing their first run, to keep the timetable as tight as possible. We ask for your co-operation in making this work.

The expected start order for the BASS event will be U16-21 girls, U14 girls, U16-21 boys and U14 boys. This will be reviewed by the OC based on course conditions nearer the time.

Daily Timetable

This is the latest timetable for the four days of racing. Please note the order of races (SL, GS, GS, SL) and the different start times which have been negotiated with the resort team to maximise the chance of getting all races completed. Times are shown as "**no earlier than**". Timetable is of course subject to change based on weather or other factors, but we will post any changes in the WhatsApp group as soon as we can.

Start Order

BASS list 2024.4 will be used for the draw for start order and in penalty calculations in the BASS seeded events (U14-21). Competitors in these age groups who were not registered at the time the seed list was published (or are on the seed list but with no points) will be drawn in a group at the end of the start list, followed by a group of those who are not registered.

Second run start order will be based on first run time for U16-21s (with top group reversed) and a complete flip of the first run start list for U14s.

U10-12 racers will be drawn at random for start position by category, with U10 Girls first followed by U12 girls, U10 boys and U12 boys.

Conduct and Safety

Please ensure that all your athletes follow all Jury instructions, particularly those about course inspection which we expect to be "from the side" to preserve the condition of the course and to allow salt (if used) time to do its job.

Racers, don't hike! If you come out of a race course, either by falling or simply losing control, you are not entitled to climb up to resume your run. Hiking is now illegal in Slalom as it has been for some years in Giant Slalom.

Where U14 racers are concerned, note that each separate race run is a unique BASS seeding event, and the awards for U10 and U12 racers are based on their best run each day anyway.

The resort has stressed that competitors must ski in a safe manner on the public pistes, and with due regard for the safety and enjoyment of other hill users. Please be careful if you are crossing a piste. Racers caught skiing dangerously may be excluded from the races.

Keep ski-passes with you. **No ticket = no lift**.

And finally, please, **no littering**.
