Scottish Alpine Student Championships

8th-10th March 2024, Cairngorm Mountain

Following discussions with the team on the hill at Cairngorm Mountain we're pleased to confirm that **SASC 2024 will go ahead at Cairngorm as originally planned!**

The competitions will be held on very similar slopes to last year, served by the Ptarmigan T-Bar at the top of the mountain (lift 9). There may be walking required to lap the park as there was last year.

Late Entries

We are in a position to accept a limited number of late entries for a 10% additional entry fee. Please email these to info@sasc-snowsports.co.uk.

Captains Chat

All team captains should join the WhatsApp group: https://chat.whatsapp.com/BmXD0ncyG3oDv9gbzNPZsE.

Reminder: all competitors must be checked off by a captain at the Team Captains' Meeting, and any outstanding payments must be made in full!

Uplift

Unfortunately the funicular railway (lift 1) is still out of service for further repairs, and without enough snow on the lower mountain to run the surface lifts out of the car park (lifts 2 and 3), a 15-20 minute walk will be required to the bottom of the M1 poma (lift 6), which is open to provide access to the upper mountain, where the competitions will be held.

Cairngorm Mountain will provide transport of equipment (skis/bags) from the car park to the bottom of the M1 poma from 9am sharp.

Bib Collection

Bibs for both competitions will be available from the Ranger Office at the bottom of the Base Station building at the top of the car park. This will be open from 8:30am and bibs *must* be collected before heading up the hill.

Lift Passes

Competitors must purchase a lift pass from the ticket office on the morning of the competitions. **These should *not* be booked online.** Competitors will require their bibs to purchase a ticket, and student ID to access the discounted lift pass rate - see: https://www.cairngormmountain.co.uk/lift-passes/.

Non-competitors will need to purchase a ticket online - see the link above. The M1 poma, required to access all open runs, is suitable for experts only.

Event officials will get a pass provided by SASC.
