Race Rules/Health and Safety

Please remember recent changes to the rules this year include the no stopping/hiking rule. This is relevant to all racers. If a skier has missed a gate, they are no longer allowed to hike back up the hill to complete their run. Likewise, if they come to a complete stop then they should not continue down the course. It would be helpful to remind all skiers of this and that if they stop/miss a gate, they should ski outside of the timing so that their run can be recorded as a DNF rather than a DSQ.

The rule is in ICR, in the section 614.2

614.2.3 Interdiction to Continue after a competitor stops If competitors come to a complete stop (e.g. after a fall), they must no longer continue through previous or further gates.

Organisation

This event is being organised by Welwyn Garden City Ski Race Club.

Start Order
The start order will be drawn on Thursday 9th May 2024 using the outdoor BARTS (2024.1) current seed point list. This seed list can be found on the web site www.gbski.com. The start lists will be published on www.gbski.com and on the official notice board on the morning of the race.

For U14s and above, in the first two runs, the top 15 seeded competitors will be drawn, with competitors seeded 16th onwards running in seed point order followed by registered unseeded athletes and then unregistered racers, both drawn at random.For the third run, the start order will be reversed (slowest to fastest) based on an athlete's best individual time from runs 1 and 2.

For the under 10s and under 12s, the order will be randomly drawn, with girls and boys racing together. This order will be maintained for runs 1, 2, and 3.

Race Rules/Health and Safety

Please remember recent changes to the rules this year are the no hiking policy. If a skier has missed a gate, they are no longer allowed to hike back up the hill to complete their run. It would be helpful to remind all skiers of this and that it would be best for them to ski outside of the timing so that their run can be recorded as a DNF rather than a DSQ.

The race will be run under FIS rules (ICR) as varied by GB Snowsport (BACR) and Snowsport England (Race Manual). Links to rules and guide books are listed below, all racers and coaches are encouraged to make themselves familiar with these documents:
