Start Order

The start order will be drawn on Thursday 25th July using the BARTS Outdoor Seed List and verified by the Jury. This seed list can be found at https://gbski.com/seeding#BARTS.

For the first run the top 15 seeded competitors will be drawn, with competitors seeded 16th onwards running in seed point order, followed by a random draw of all registered racers with no points, followed by a random draw of any unregistered racers. This start list will then be reversed, so the first group to race will be any unregistered racers, followed by registered racers with no points and so on, finishing with the last group of the best seeded racers in the competition.

For the second run the start order is the same as the first. For the final run, the start order will be calculated based on the best time from the first two runs, starting with the slowest and finishing with the fastest. Anyone who fails to complete at least one of the first two runs will not be included in the final run start list.

For the U10/U12 race, in the first run all entries will be randomly drawn, with the girls going first followed by the boys**. Each run will be in the same order.**

Start lists will be published on GBSKI and on the official notice board on race day.

Race Rules and Health and Safety

The race will be run under FIS rules (ICR) as varied by GB Snowsport (BACR) and Snowsport England (Race Manual). Links to rules and guide books are listed below, all racers and coaches are encouraged to make themselves familiar with these documents:

FIS Rules	https://gbski.com/icr
British Rules (BACR)	https://gbski.com/bacr
SE Race Manual	https://gbski.com/serm
Guide to Racing	https://gbski.com/guide
Guide to Helmets	https://gbski.com/helmets

The Jury has decided that all courses for this event will be set with single pole gates in accordance with ICR 804.

- Access to the slope is for officials, accredited coaches and racers only.
- During open practice and inspection bibs must be worn so that the number is visible from front and back as this is your accreditation to be on the slope. Racers without a bib will be asked to leave the slope.
- Inspection on foot by racers is not permissible. Racers will be given further information prior to the start of course inspection.
- Helmets and gloves must be worn by anyone on skis at all times whilst on the slope.

Race trainers/coaches who accompany their racers must carry the relevant accreditation issued by the Race Office. **NO DOGS ALLOWED ON THE CENTRE SITE**

The lifts are expensive and difficult to maintain so the Centre has strictly enforced rules about behaviour on the lifts to ensure they remain in use all day. **THE LIFTS CAN ONLY BE USED BY PEOPLE WEARING SKIS** and in a calm and orderly manner- **NO BOUNCING**.

Open Practice

The slope will be open on Friday 26th July with slalom gates in place between 7pm and 9pm. Competitors are able to ski on the slope by purchasing a lift pass from the slope operator at their published rates. These costs are set by the slope operator, and the race organisers have no influence over the cost and do not gain financially from this. Any racer choosing to do this must bear in mind that the slope is open to the general public and extreme care will be needed. Site staff will remove anyone skiing in an inconsiderate manner.

Open practice (warm up) on race day on the race slope from 08.30 – 09:15 is part of the entry fee. During open practice bibs must be worn so that the number is visible from back and front. Racers without a bib will be asked to leave the slope.

Thereafter any racer wishing to ski on the non-race slope will have to pay at the standard rate available to the general public. Any racer choosing to do this must bear in mind that the slope is open to the general public and extreme care will be needed. Site staff will remove anyone skiing in an inconsiderate manner.

Tip of ski poles must be covered with bungs at all times, failure to comply will result in competitors not being allowed to race.
