Entry Criteria and Race Format

Seeded Competition

The Club National seeded event is a Slalom consisting of three runs down the same course and is open to Home Nation registered racers in the following categories: U14, U16, U18, U21, Senior, and Masters. Prizes will be awarded based on the best time from the first two runs plus the time from the third. Racers with the highest seed points (or no points) take priority if the race is over-subscribed.

U10/U12 Races

Club National competitions include races for U10/U12 age categories. These will be run using stubbie gates, with three runs down the same course and prizes awarded based on the best time from any run.

Unregistered Racers

If the race is under-subscribed, racers who are not registered with any Home Nation may be entered into the race by completing their race entry and signing an Athlete's Declaration. Any such racer who cannot show membership of a club affiliated to Snowsport England will need to pay a £5 fee to cover admin and insurance in addition to the normal race entry fee.

Entry fee for this event is £30.

Online entry is available at https://entries.snowsportengland.org.uk.

Entries close 1900 (7pm**)** on **Saturday 20th July**. Late entries may be accepted at an additional fee of £10.00 by emailing the race secretary.

Start Order

The start order will be drawn on Thursday 25th July using the BARTS Outdoor Seed List 2024.4 and verified by the Jury. This seed list can be found at https://gbski.com/seeding#BARTS.

For the first run the top 15 seeded competitors will be drawn, with competitors seeded 16th onwards running in seed point order, followed by a random draw of all registered racers with no points, followed by a random draw of any unregistered racers. This start list will then be reversed, so the first group to race will be any unregistered racers, followed by registered racers with no points and so on, finishing with the last group of the best seeded racers in the competition.

For the second run the start order is the same as the first. For the final run, the start order will be calculated based on the best time from the first two runs, starting with the slowest and finishing with the fastest. Anyone who fails to complete at least one of the first two runs will not be included in the final run start list.

For the U10/U12 race, in the first run all entries will be randomly drawn, with the girls going first followed by the boys. In the second run the boys will go first followed by the girls, and the start order will be reversed. For the third (final) run the start order will be the same as the first run.

Start lists will be published on GBSKI and on the official notice board on race day.
