ACCEPTANCE UPDATE

Saturday 24th August 2024

While the 300 seed point cut off for the U14+ race remains in place, the race organising committee would welcome expressions of interest from racers over the 300 seed point cut off who would like to be considered for entry.

This is not a change in the current rule, however the race organising committee MAY consider acceptance of entries above 300 seed points, should the race be under-subscribed.

A decision on uplifting the seed points cut off will be made prior to the closing date for entries of 4pm on the 16th August 2024.

Priority for race entry will be given to those with the lowest seed points.

Expressions of interest should be addressed to the Race Secretary, Kay Stewart, via email to the following address: rtr.racesec@gmail.com

Sunday 25th August 2024

The Race Organising Committee has agreed in conjunction with the English Alpine Committee that in the interests of participation, entries for the inter-club competition in the U10/12 category only, will be accepted from English regions, not just clubs. Team members must be a member of a club that is part of the region they are representing.

There are no other rule changes from those originally published.
