Teams must have at least one bairn (U8/U10/U12) and one child (U14/U16).
The other 2 racers can be from any age category U8 through to Masters. Teams may bring a substitute but the age and gender mix rules must continue to be met in every heat

For a team to be eligible for the series competition it must have 2 or more competitors who have competed in each event of the series. This allows for some substitutions.
