RACE ENTRY DETAILS

Registration

To participate in these Championships, **all** competitors in age groups U10 through U16 (regardless of nationality), and **all British** competitors in age groups U18 and older, **must** be registered with a UK Home Nation (Snowsport England, Scotland or Wales).

This registration must be completed **no later than Monday 3rd February** to be included in the BASS seed list due for publication on Wednesday 5th February. For British U14 and U16 competitors, failure to complete the registration/renewal process in time to be included in this seed list will mean you will be drawn to race at the back of the field in the group with **no seed points**.

All U18, U21, Senior and Masters racers are reminded that they **must** be FIS registered to take part in these championships. Please note that a FIS Masters registration is not the same as a FIS Alpine registration. Applications for the appropriate licence should be made direct to GB Snowsport as soon as possible and at least **three weeks prior to the closing date.**

The Organising Committee accepts no responsibility for any failure of competitors to ensure that their registration is valid and complete.

British Registered Entries

All U10-U16 (including non-British children) and all British FIS entries must be made via the official system at https://bit.ly/onlineraceentry

FIS Entries

International (non-British) FIS entries must be made through your National Ski Association on the appropriate NSA FIS entry forms in accordance with FIS regulations, and in line with FIS Quotas for your nation.

Entry Fees

The race entry fee for British entries is **£60 per competitor per race.**

For the U10/U12 Individual Parallel you can enter for a discounted entry fee of **£30**.

For the U14 and U16 Super-G races, you can enter both races for a discounted entry fee of **£75**.

For the FIS Super-G races, you can enter both races for a discounted entry fee of **£75**.

For the Rossignol Team Parallel Slalom there will be an entry fee of **€60** payable in cash in resort when you hand in your completed Team Entry Form. Entry Forms will be available from the Race Office in resort, or they can be downloaded from the Alpine Championships website.

For International (non-British) FIS competitors, the race entry fee is **€30 per competitor per race**, to be paid in cash at the Race Office during the day before each race. Lift passes for FIS competitors will be on sale at the same time.

The closing date for British registered entries is Monday 20th January 2025.

Acceptance Lists showing British entries received by the closing date will be published on www.gbski.com by Wednesday 5th February (please note that this Acceptance List will not be updated with late entries).

Late Entries

Acceptance of late entries in the resort will be dependent on the entries already received and the snow conditions. Competitors are therefore warned that their presence in the resort will not necessarily gain them entry into the races.
If late entries by British (HN) registered entries are accepted, they will incur a penalty of £25 per competitor per race.

Insurance and Ability

All competitors must have a current insurance policy that permits them to ski race. The Organising Committee may require proof of insurance such as a valid governing body race licence or an independent certificate of insurance. The Organising Committee reserves the right to refuse entry to skiers who do not possess seed points and who cannot demonstrate a minimum level of competence. Suitable evidence may include previous race results or a Coach's certification.

REFUNDS

Due to the enormous cost of organising these Championships, there will be **no refund of race entry fees** after the race entry has been received, even if one or more races are cancelled. Please see our T & C for full details.

Refunds on medical grounds will be considered only on production of an appropriate medical document. Such refunds will only be considered if submitted within one month of the last day of the competition.

TRAINING, WARM-UP AND PUBLIC PISTES

Coaches/clubs/teams must negotiate training pistes directly with the resort. Contact details will be posted on the Championships website and via WhatsApp nearer the time.

Clubs/teams are reminded that they will need to work together to ensure maximum use of available facilities. The Organising Committee will designate appropriate pre-race warm-up areas for each day of competition.

A briefing will be made at the first Team Captains' meeting about the warm-up rules and the consequences of violating them. As defined in ICR the OC is not responsible for managing or overseeing the use of training pistes or warm-up areas.

All participants are always required to ski in a manner appropriate to the conditions, and to treat other users of the slope with due respect. This is particularly important when skiing in areas open to the public. Failure to conform with these requirements or failure to obey the instructions of any member of the organising team or the resort staff may lead to removal of lift pass and/or suspension from the remainder of the competition.

Competitors are also reminded that the goodwill of the resort in providing us with such an excellent venue for racing relies on our recognising that we all have a part to play in sharing the mountain with other users.

In areas where the needs of the racing community and the general public overlap – particularly at Bormio 2000 where the area can get very busy at some periods of the day – all competitors are required to refrain from leaving their equipment in a way that blocks public access. Failure to do this may result in the equipment being forcibly moved by members of the organising team or even confiscated by the local police.

FIRST TEAM CAPTAINS' MEETINGS

FIS (SG Women):	Tuesday 11th February at 19:30 in the auditorium.
GBR (Slalom U16):	Saturday 15th February at 18:30 in the auditorium.

Please note: Only accredited team captains/managers have the right to attend the meetings, independent athletes should liaise with a team/club to ensure they are represented.

A full list of times and races for all Team Captains' Meetings will be published on the web site, in the Acceptance Bulletin, and via WhatsApp.

COACHES ACCREDITATION

We will keep a register of all coaches who need to be accredited to access the closed competition area. Please email alpineracesec@snowsportengland.org.uk with name, club, country and contact details.

SAFE-GUARDING

We want you to feel supported in your snow sport activities. If you have any worries please talk to someone you can trust. This might be your parents, teachers, club welfare officer, coach or ChildLine. Snowsport England has a Safeguarding Lead you can contact via email at: welfare@snowsportengland.org.uk - or see the SE website to report any concerns: Safeguarding - Snowsport England

Event Welfare officer for the event is Karen Conde 07725 884043 or karen.conde@hotmail.co.uk.

VOLUNTEERS

To run the Championships smoothly and successfully, we will require volunteers for roles such as start or finish marshals, commentator, etc. Clubs should come prepared to nominate helpers. Snowsport England registered Race Officials are reminded that experience at the Championships will count towards their accreditation.

Anyone interested in officiating, shadowing, or helping in any capacity should contact the Race Director via email at alpinechamps@snowsportengland.org.uk or the Race Secretary prior to the event.

Coaches are reminded of their duty to act as Referee if appointed by the TD.

PHOTOGRAPHY

Official photographers may be present during the event. If you DO NOT wish for your photograph to be taken or used, please sign the forms available in the race office before the event.

TRAVEL

Those travelling by car should note that the northern route from Switzerland via Livigno is by a single-track tunnel. On Saturdays this tunnel is only open from Switzerland to Livigno from 12.00, after 3pm the traffic alternates. The trip from Livigno to Switzerland on a Saturday is open from 9 – 12.

Those travelling by air can arrange bus transport via Terralta Viaggio or use the local bus services. Transport time from either of the Milan airports is approximately three and a half hours.

LIFT PASSES
