English Alpine Ski Championships

Prize Schedule and Competition Rules

Version 10 : 19-Feb-2025

The prize-giving ceremony for most races (including all FIS races) takes place at the finish (or other designated location) after each race, as soon as the TD is content for this to happen and the results have been collated. Awards for all races are listed below; the same awards are made for Men and Women. Awards listed below are for official EASC races only, other races staged alongside the EASC may have their own awards.

FIS NJR Individual Races

In each race, awards are made for 1st 2nd 3rd place in U18 and U21 age groups, Women and Men, all nations, no overall awards.

FIS Individual Races

In each race, awards are made for 1st 2nd 3rd overall, not by age group, all nations.

In each race, awards are also made for 1st 2nd 3rd in U18, U21 and Senior age groups, GBR racers only (no international). For the purposes of these awards, Masters are included in the Senior age group.

In each race, awards are also made for 1st 2nd 3rd placed British Student. To be eligible for these awards, competitors must be accredited by the Organisation as a recognised UK student before the start of the competition.

In each age group in each race designated as the Championship race, the first-placed English-registered GBR racer (SE registration and British Citizen / passport holder) is designated 'English Champion' for that gender, discipline and age group.

U14 and U16 Individual Races

In each race, awards are made for 1st 2nd 3rd in each age group, any HNGB registration. For SL and GS these awards are based on combined times from two runs/races, regardless of how the runs/races may be divided for seeding purposes.

In each age group in each race designated as the Championship race, the first-placed English-registered GBR racer (SE registration and British Citizen / passport holder) is designated 'English Champion' for that discipline and age group.

U10 and U12 Individual Races

In each race, awards are made for 1st 2nd 3rd 4th 5th in each age group, and for first overall boy and girl.

English Overall Combined Champions

There are overall combined competitions for English registered athletes to determine the overall English champions.

These competitions are only open to those registered with Snowsport England as per the BASS Seed List in effect at the time of the event, and holding a British passport.

The awards are made for the following age categories and races:

- three FIS (not NJR) Championship races (SL, GS, SG)
- three U16 Championship races (SL, GS, SG)
- three U14 Championship races (SL, GS, SG)
- two U12 races (Stubby Slalom and Giant Slalom)
- two U10 races (Stubby Slalom and Giant Slalom)

The combined results shall be calculated by awarding Championship points as follows:

Place	Points	Place	Points	Place	Points
1st	100	11th	24	21st	10
2nd	80	12th	22	22nd	9
3rd	60	13th	20	23rd	8
4th	50	14th	18	24th	7
5th	45	15th	16	25th	6
6th	40	16th	15	26th	5
7th	36	17th	14	27th	4
8th	32	18th	13	28th	3
9th	29	19th	12	29th	2
10th	26	20th	11	30th	1

Tied positions

If, in a race, several competitors are tied for one of the first thirty positions, each tied competitor receives the points corresponding to that position. The remaining competitors receive the points corresponding to their official classification in the race. Thus, if two competitors tie for third place, the points awarded are: 1st 100, 2nd 80, 3rd= 60, 3rd= 60, 5th 45, 6th 40 etc.

If two or more competitors end up with the same total overall points, then the competitor with the most first places (100 points) will be placed first. If the two competitors have the same number of first places, then the number of second places will be used, etc.

Completing all races

Only those competitors who successfully complete all races shall have a combined result.

If more than one race takes place in a particular event, only the race designated as the Championship race will count for the Combined Competition.

Cancelled Races

If one of the races does not take place in category U14 or older, the combined results shall be calculated by adding the Race Points from the remaining races.

If one of the U10 or U12 races does not take place, no combined results shall be awarded for that category.

Student Combined Champions

As well as individual awards for accredited Students in each FIS race, overall combined awards are also made for 1st 2nd 3rd overall.

Club Competition

As per the rules shown below, points are awarded for positions in age group across the specified races (SL, GS and Super-G) for both BASS and FIS competitions.

Two awards are made, the 'Dave Ryding Club Championship' for the winning club, and the 'Ambition Academy Challenge' for the winning academy.

Club Combined Competition

The English Alpine Championship club competition is open to all registered racers from U10 upwards, with Senior and Masters combined into a single group.

Points are awarded to the first five BASS-registered competitors in each age group, gender and discipline. Points are thus awarded to U10, U12, U14 and U16 in the BASS/GBR races, and U18, U21 and Senior categories in the FIS (not NJR) races.

Where two races of the same discipline are held (e.g. two Super-G races), the race that is designated by the ROC as the 'Championship' race shall be the one that counts for points.

For U10/12 races, points will be awarded on the basis of the best single time in each of the Slalom and Giant Slalom races.

For technical (SL and GS) races in the U14 age group, points will be awarded on the basis of the combined (aggregate) time over both single-run races.

1st place	5 points
2nd place	4 points
3rd place	3 points
4th place	2 points
5th place	1 point

Points are allocated to those competitors first named club as specified on the BASS list that applies at the time of the event. No substitution, replacement or exchange of first and second named club will be allowed.

Where a competitor is placed in the first five and has no first-named club, no points will awarded for that place.
