Anglo Scottish Cup 2025

Friday 03 January – Sunday 05 January

Programme for Anglo Scottish Cup Giant Slalom
Friday January 1st 2025

The intention for Friday is to hold two full length runs for the U10/U12s (Minis) and — if time allows — a full extra BASS event for the older racers.

The start is easily accessible for spectators. However, the GS race hill is closed to spectators. For the finish, you can traverse across from the public piste but the best way to see the middle of the race is to gate keep! Funnily enough we do still need gatekeepers so for the best seat in the house with a steady supply of vin chaud, mince pies and appreciation, and reimbursement of race hill lift tickets, please email Malcolm@britskiacad.org.uk

Thank you and good luck to your racers!
