	1st run on Long Gates immediately after
	2nd runs will follow the first after short break

The start order will remain the same for both runs. Bib numbers will run in normal order not reverse. Each team's skiers will race in a block of three or four. Any amendments made to the start list will be announced on the day. The second run will follow straight after the first.

The list of those required to officiate and their duties will be emailed to you shortly before the race. Please inform your volunteer officials of their task on the day and ask them to attend the Team Officials' meeting at 09:10 at the entrance to the Snowsports centre. Instructions and briefings will be given to all officials. Under terms of entry a school is required to offer a named volunteer official (teacher or parent) for **each** team entered. The race will be run according to the British Artificial Competition Rules as modified by ESSKIA. Please note:

1. Racers MUST wear long trousers, long sleeves, gloves & helmets.
2. Each team must provide a race official. Should a team's official not report for the designated duty, the team will not be allowed to start.
