The BASH - Horse Racing Night
The event begins at 7 PM.

There will be a limit on tickets to allow you move about during the evening. Tickets will include a FREE glass of prosecco. Buy online or at the Bearsden ski club office.

Over the evening there will be 8 races each with 8 runners. Before each race we will introduce each runner and allow you to use your best skill and judgement(!) to pick the winner. You will have a chance to bet on your chosen runner. We will then play the film and the lucky punters can collect their winnings - 50% of the pot!

In addition to betting, attendees can support the event beforehand by:

- **Sponsoring a race** (e.g., The A for Audi Canter). Individuals or businesses can pay a sponsorship fee to have their name or brand associated with one of the horse races.

- **Owning a horse** for a £10 attendees can "buy" a horse for a race, which lets them rename it (e.g., Lucky Charm). There are 8 horses per race, so the first 8 participants for each race get the naming rights. If their horse wins, the "owner" gets a prize (e.g., a bottle of champagne, or a small trophy).

- **Training a horse** for a smaller £5 fee, participants can "train" a horse. This means their name will be listed as the trainer on the race card, giving them partial involvement in the event. If their horse wins, the trainer also wins a prize

There will be a prize for the winning owner and trainer in the first three races, with a 1-in-8 chance of winning. Each race will have 8 horses, so every "owner" and "trainer" has a 1-in-8 chance of winning a prize for that specific race. After the race film is played and the winner is revealed, the owner and trainer of the winning horse receive their prizes.
