ACCEPTANCE LIST

An Acceptance List will be published on www.gbski.com after entries close on 20.12.2025. After 20.12.2025 late entries will be considered and an extra fee may apply. Bulletins and Zoom links will be circulated via GBSki, BSA social media pages, and on the event WhatsApp group (more details to follow).

TEAM CAPTAINS' MEETINGS

The first TCM is scheduled to take place at 1800 on 3rd January 2026 via Zoom. Any change to the time or location will be published as soon as possible, as will the details of TCMs for the subsequent race days.

LIFT PASSES

Covering the area between Verbier and La Tzoumaz but not all of the Verbier resort, concessionary lift passes can be bought online from the BSA from mid November. (The concessionary rate will be similar to last year and substantially less than the standard rate.)

TRAINING ACCESS

Gate training and coaching available on the race hill every day from 29 December through until 08 January. Online booking at a rate of £90 per day. Spaces limited. For further information please contact malcolm@britskiacad.org.uk

REFUNDS

In the case of withdrawal from any event due to injury (prior to the championships) refunds will be available on production of a doctor's letter up to the 2nd of January. Refunds will not be available for adverse weather or snow conditions that result in the cancellation of races. The organisers and hill team will do their upmost to ensure that all of the races are run in full.

VOLUNTEERS AND SUPPORT

Whilst we have a team travelling from the UK for the race, we do require additional help to run the races smoothly. A handful of gatekeeper parents would make all the difference. Please email malcolm@britskiacad.org.uk if you can help on any race day.

ACCOMMODATION

We recommend renting apartments in La Tzoumaz for convenience. There are also some excellent deals for accommodation in the valley from hostels to hotels for families or groups.

INSURANCE AND EQUIPMENT RULES

All competitors must have a current insurance policy that covers them for ski racing. The Organising Committee may require proof of insurance such as a valid governing body race licence or an independent certificate of insurance. **No insurance = No Racing**

Racers are reminded that helmets for **giant slalom** must conform to GB rules, i.e. no soft sides, soft vents, and remove slalom chin guard. For U14 upwards, this means a FIS compliant helmet with the FIS sticker (see section 3.6 in the FIS equipment rules which can be found at gbski.com/equip).

CATSUITS FOR U10/U12 IF THE WEATHER IS FINE

The TCM will consider the weather forecast each day and decide whether or not to allow the U10/U12s to compete in catsuits. Be prepared. If the weather turns foul, Mini racers arriving at the start in catsuits will not be permitted to leave the gate.

CONDUCT

The resort have asked that competitors ski in a safe manner on the public pistes, with due regard for the safety and enjoyment of other hill users. In particular please slow down well before joining lift queues. Racers caught skiing dangerously may be excluded from the races.

Keep ski-passes with you. **No ticket, no lift**.

And finally, please, no littering.
