British Alpine Technical Delegate Forum
Minutes of Decision on Race Seeding

Place: The Lecht	**Country**: Scotland	**Codex**: GBR 8156, 9156, 8161, 9161
Name of Competition: Gordon Skiers Lecht Open		**Date**: 17 & 18-Jan-2026
Category: GBR (BASS) U14+	**Gender**: M & W	**Event**: Slalom

Description:

Insufficient depth of snow rendered the homologated piste unusable.

Switched to alternative piste which had vertical drop lower than minimum allowed but in other aspects provided a good race for this level of competition.

Summary of decision taken:

Given the fact that the Jury made best efforts to ensure that the races ran as close as possible to regulations, the races have been approved by the TD Forum Timing and Calculations SC for seeding as requested by the TD.
