Eastern Region Snowsports Association (ERSA) is one of several regions in the country affiliated with the national governing body SnowSport England. The emphasis of the region is to encourage participation in snowsports through fun and enjoyment.

This race is organized to encourage young skiers to try skiing as a competitive sport, while representing their school. As such no previous racing experience is required, although a minimum level of skiing ability is required. It can be a step on the ladder to higher levels of racing at Regional and National levels for those who want to.

Who can enter: Anyone who attends a school in the ERSA region and invited schools close to the regions boundary. We do not require any previous competition experience, but must insist, for reasons of safety, that all competitors can use the button lift unaided and ski in control from the top of the main slope. Team members must be from the same school.

Team or Individual: We encourage team entries, as this means those new to ski racing will be able to join their more able fellow pupils. However, we also recognise that schools may not be able to find enough competitors to form single sex teams so mixed teams and individuals can also enter the event. Teams must consist, depending on the Category, of either of 2, 3 or 4 racers. If a school is unable to find enough competitors to make up a team they can enter racers in the Individual category.

Prizes: There are prizes for both the team and individual events in all categories. All winning team members also receive a medal to compliment the team's prize. There are also male/female/team overall prizes.

Training: Need some pre-race training? If you haven't skied through a course before, one hour could make all the difference. Contact your local ski slope and you will find they should be able offer your team some coaching. For further advice contact schools@ersa.co.uk or look for your nearest slope on the website www.ersa.co.uk/schools
