Entry Details

Please check that racers' details are correct - if there are any errors, it is much easier to fix these now before start lists are made. Registered clubs/details/seed points have been taken from BASS list 2026.4. The start lists will be drawn from list 2025.5, which is to be published later this week. Please note that we *cannot* change the club which appears next to a racer's name, as this comes from the seed list.

Format

We have the snow conditions to support a GS race. The race program for the weekend remains provisionally as follows, but is subject to change due to weather, with BASS races due to take place on the White Lady piste, and Minis races on the Cas. Any changes will be communicated via the WhatsApp group - see below to join.

Saturday 28th February

- BASS (U14-MAS) Giant Slalom
- Minis (U8*/U10/U12) Pro-Slalom
  Course set using panelled (GS) gates, intended to be skied on slalom/all-mountain skis

Sunday 1st March

- BASS (U14-MAS) Slalom
- Minis (U8*/U10/U12) Stubby Slalom

*The Race Organising Committee reserves the right to cancel the U8 race should it be deemed necessary due to poor weather. If this happens, refunds will be issued for those affected.

Unregistered Entrants

We have a number of entries from racers who are not registered with a Home Nations Governing Body (Snowsport Scotland, England, or Wales) for the current season - racers with no "code" on the acceptance list below. These entries have been accepted on the basis that they will sign an Athlete's Declaration form and are members of a Home Nations affiliated club.

Late Entries

Late entries are being accepted until the end of the day on Wednesday 25th February, online at peakpass.co/event/scottish-chil…. The late entry fee is +£5 per day. Racers should be registered with their Home Nation Governing Body - see the original invitation for details. Our refund policy is also included there.

Lift passes should be purchased in advance via Cairngorm Mountain's online ticketing system **using a specific code**. The code has been emailed to all entrants - **please do not purchase tickets directly without this**. The code bypasses capacity restrictions so they will not run out!

Race Rules and Health & Safety

The race will be run under FIS rules (ICR) as amended by GB Snowsport (BCR). Links to rules and guide books are listed below, all racers and coaches are encouraged to make themselves familiar with these documents:

FIS Rules	https://gbski.com/icr	British Rules (BCR)	https://gbski.com/bcr
Guide to Racing	https://gbski.com/guide	Guide to Helmets	https://gbski.com/helmets

The Jury has decided that all courses for this event will be set with single pole gates in accordance with ICR 804.

Access to the race piste(s) will be for officials, coaches, and racers only.

During inspection, bibs must be carried by racers as this is their accreditation to be on the slope. Racers without a bib will be asked to leave the race slope.

Coaches who accompany their racers must be appropriately qualified and carry a valid lift pass.

Chin guards are not permitted for GS. Hard ear helmets are strongly recommended.
