PLEASE BE AWARE THAT STEPPING BACK (HIKING) WILL NOT BE ALLOWED IN THIS RACE.

At the jury meeting at 10.30pm on Wednesday 17th June 2026 there were 140 racers entered, all of whom have been accepted. Please check your Sport80 entry details are correct and email the secretary with any missing information or queries.

Start Order

The start order will be drawn on Thursday 18th June using the BARTS Outdoor Seed List 2026.3 and verified by the Jury. This seed list can be found at https://gbski.com/seeding#BARTS.

For the first run the top 15 seeded competitors will be drawn, with competitors seeded 16th onwards running in seed point order, followed by a random draw of all Red Compete registered racers with no points, followed by a random draw of any Blue level Snowsport England registered racers or other home nation equivalents. This start list will then be reversed, so the first group to race will be Blue racers, followed by Red racers with no points and so on, finishing with the last group of the best seeded racers in the competition.

For the second run the start order is the same as the first. For the final run, the start list will be in reverse time order based on the best time from the first two runs, starting with the slowest and finishing with the fastest. Anyone who fails to complete at least one of the first two runs will not be included in the final run start list.

For the U10/U12 race, in the first run all entries will be randomly drawn, with the girls going first followed by the boys. In the second run the boys will go first followed by the girls, and the start order will be reversed. For the third (final) run the start order will be the same as the first run.

Start lists will be published on the official notice board and on GBSKI on race day.

Race Rules and Health and Safety

The race will be run under FIS rules (ICR) as varied by GB Snowsport (BACR) and Snowsport England (Race Manual). Links to rules and guide books are listed below, all racers and coaches are encouraged to make themselves familiar with these documents:

FIS Rules	https://gbski.com/icr
British Rules (BACR)	https://gbski.com/bacr
SE Race Manual	https://gbski.com/serm
Guide to Racing	https://gbski.com/guide
Guide to Helmets	https://gbski.com/helmets

The Jury has decided that all courses for this event will be set with single pole gates in accordance with ICR 804.
New from 2024 - The FIS rule changes that disallow stepping back (hiking) in Slalom (614.2.3, 661.4.1, 804.3) will also be applied to all BARTS (artificial slope) seeded calendar races and any accompanying U10/12 races.
PLEASE THEREFORE BE AWARE THAT STEPPING BACK (HIKING) WILL NOT BE ALLOWED IN THIS RACE.

Access

- Access to the slope is for officials, accredited coaches and racers only.
- During open practice and inspection bibs must be worn so that the number is visible from front and back as this is your accreditation to be on the slope. Racers without a bib will be asked to leave the slope.
- Inspection on foot by racers is not permissible. Racers will be given further information prior to the start of course inspection.
- Helmets and gloves must be worn by anyone on skis at all times whilst on the slope.

Race Office

The race office will be at Gloucester Ski and Snowboard Centre from 08:00 (8am) on Sunday 21st June 2025. Prior to this contact can only be made by phone or email to the Race Secretary.

Notice Board

The official race notice board will be located outside the race office, on the window of Ski Hire.

Photography

Racers will only be photographed by an accredited photographer if they have given consent whilst entering the race, either via the Snowsport England race entry system or in writing to the Race Secretary.

Racer Ready Photographer will be present for this race as the official photographer.

Officials

Please note these races can only run with sufficient race officials. Help is always needed and especially gate judges; we are keen to find a fifth gate judge and an extra Forerunner (born 2018 or earlier but ideally an experienced racer). If you can assist in these roles, please contact the Race Secretary or Chief of Race asap.

Course Inspection

The course must be inspected wearing skis and bibs must be worn so that the number is visible from front and back as it is your accreditation to be on the slope. No racer is allowed to ski the course during inspection. Course inspection may start at any point on the course and racers must come to a complete stop between each gate when inspecting the course.

Referee's Report

Protests against the Referees Report must be made on official forms, which will be available at the race office. These must be completed and handed in within the set time limit and accompanied by a fee of £25.00.

Race Bibs

Race bibs must be returned to the finish marshal on completion of their final run. Failure to do so will result in a charge of £25 for each missing bib.

Access and slope rules

The building/site/slope will not be open until 8am.

Race trainers/coaches who accompany their racers must carry the relevant accreditation issued by the Race Office. **NO DOGS ALLOWED ON THE CENTRE SITE**

The lifts are expensive and difficult to maintain so the Centre has strictly enforced rules about behaviour on the lifts to ensure they remain in use all day. **THE LIFTS CAN ONLY BE USED BY PEOPLE WEARING SKIS** and in a calm and orderly manner- **NO BOUNCING OR WEAVING/TURNING WHILST ON THE LIFT**.

Open Practice

The slope will be open on Friday 19th June for practice. It is necessary to ring the centre and speak with Cameron, the manager who will give you all the details, including opening times and costs. The phone number is 01452 501438. These costs are set by the slope operator, and the race organisers have no influence over the cost and do not gain financially from this. Any racer choosing to do this

must bear in mind that the slope is open to the general public and extreme care will be needed. Site staff will remove anyone skiing in an inconsiderate manner.

Open practice (warm up) on race day on the race slope from 08.30 – 09:30 is part of the entry fee. During open practice bibs must be worn so that the number is visible from back and front. Racers without a bib will be asked to leave the slope.

Thereafter any racer wishing to ski on the non-race slope will have to pay at the standard rate available to the general public. Any racer choosing to do this must bear in mind that the slope is open to the general public and extreme care will be needed. Site staff will remove anyone skiing in an inconsiderate manner.

Tip of ski poles must be covered with bungs at all times, failure to comply will result in competitors not being allowed to race.
