Entry Criteria and Race Format

Seeded Competition

The Club National seeded event is a Slalom consisting of three runs down the same course and is open to Home Nation registered racers in the following categories: U14, U16, U18, U21, Senior, and Masters. Prizes will be awarded based on the best time from the first two runs plus the time from the third. Racers with the highest seed points (or no points) take priority if the race is over-subscribed.

U10/U12 Races

Club National competitions include races for U10/U12 age categories. These will be run using stubby gates, with three runs down the same course and prizes awarded based on the best time from any run.

Registered Racers

To be classed as registered, you must have paid your current year subscription to your relevant home nation governing body. If you are unsure, check at http://www.gbski.com/competitors.php where the 'Season' column will indicate the last paid season.

Unregistered Racers

Due to updated rules and regulations, we are no longer able to accept entries from unregistered racers.

Racers must be members of a home nation affiliated race club or an individual affiliated member of their home nation. For seeding, racers will need the SE red membership or other home nation equivalent. Blue members can race but won't be seeded.

Start Order

The start order will be drawn on Thursday 18th June using the BARTS Outdoor Seed List 2026.3 and verified by the Jury. This seed list can be found at https://gbski.com/seeding#BARTS.

For the first run the top 15 seeded competitors will be drawn, with competitors seeded 16th onwards running in seed point order, followed by a random draw of all Red Compete registered racers with no points, followed by a random draw of any Blue level registered racers. This start list will then be reversed, so the first group to race will be Blue racers, followed by Red racers with no points and so on, finishing with the last group of the best seeded racers in the competition.

For the second run the start order is the same as the first. For the final run, the start list will be in reverse time order based on the best time from the first two runs, starting with the slowest and finishing with the fastest. Anyone who fails to complete at least one of the first two runs will not be included in the final run start list.

For the U10/U12 race, in the first run all entries will be randomly drawn, with the girls going first followed by the boys. In the second run the boys will go first followed by the girls, and the start order will be reversed. For the third (final) run the start order will be the same as the first run.

Start lists will be published on GBSKI and on the official notice board on race day.
