The decision on which discipline we race each day will be made on Thursday 5th February and communicated to all entrants.

Lift passes for racers and coaches should be purchased in advance using a specific code - do not purchase directly without doing this.

A coaches meeting will take place on Friday 6th February at 9pm.

Rules and regulations can be found at gbski.com/rules.

Format

We have the snow conditions to support a GS race. However **we are going to leave the decision as to which day we race GS until Thursday 5th February** so we have a clear picture of the forecast. This will be communicated via the WhatsApp group - see below to join.

Unregistered Entrants

We have a number of entries from racers who are not registered with a Home Nations Governing Body (Snowsport Scotland, England, or Wales) for the current season - racers with no "code" on the acceptance list below. These entries have been accepted on the basis that they will sign an Athlete's Declaration form and are members of a Home Nations affiliated club.

Late Entries

Late entries are being accepted until the end of the day on Wednesday 4th February, online at peakpass.co/event/coronation-cup-2026. The late entry fee is £45 per day, or £80 for both. Racers should be registered with their Home Nation Governing Body - see the original invitation for details. Our refund policy is also included there.

Communication

All **official communications will be via a dedicated WhatsApp group** - join at the link below or scan the QR code.

Provisional Timetable

The following provisional timetable is a guide for each day. The exact program will be **confirmed later in the week** once the decision on race disciplines has been made.

08:00	Officials briefing
08:15 - 08:45	Bib collection/registration at Ranger Station
08:30	Uplift for course setters and Jury
09:00	Uplift opens for all
10:00 – 10:30	Course inspection open
10:55	First forerunner
11:00	First racer

Bibs & Lift Passes

Bibs will be available for collection at the start of the day from the base of the ski resort - exact location to be confirmed. **Bibs must be returned** in the finish area at the end of the final run **on both days**.

Lift passes should be purchased in advance via Cairngorm Mountain's online ticketing system **using a specific code**. The code will be emailed to all entrants when it is available - **please do not purchase tickets directly without this**. The code bypasses capacity restrictions so they will not run out!

Race Rules and Health & Safety

The race will be run under FIS rules (ICR) as amended by GB Snowsport (BCR). Links to rules and guide books are listed below, all racers and coaches are encouraged to make themselves familiar with these documents:

FIS Rules	https://gbski.com/icr	British Rules (BCR)	https://gbski.com/bcr
Guide to Racing	https://gbski.com/guide	Guide to Helmets	https://gbski.com/helmets

The Jury has decided that all courses for this event will be set with single pole gates in accordance with ICR 804.

Access to the race piste(s) will be for officials, coaches, and racers only.

During inspection, bibs must be carried by racers as this is their accreditation to be on the slope. Racers without a bib will be asked to leave the race slope.

Coaches who accompany their racers must be appropriately qualified and carry a valid lift pass.

Chin guards are not permitted for GS. Hard ear helmets are strongly recommended.
